VOL. XVIII, NO. 5.

THE BLAIRMORE ENTERPRISE, THURSDAY, FEBRUARY 3, 1927.

THREE BODIES RECOVERED FROM MCGILLIVRAY MINE

As we go to press we are informed that three bodies of the six entombed in the McGillivray mine were recovered yesterday. The three are: T. Young, A. Letich and M. Yurek. Interments will take place at Coleman on Friday.

As with an egg, a hard-boiled man usually has a weak crust.

NOT A BAD IDEA

There is a new law effective in England that penalizes a publisher for making public the details of any divorce action of court record.

Just why people should gloat over the morbid details of modern divorce proceedings is truly a queer psychological problem.—Ex.

Annual Meeting of The Ratepayers Of The Town and School District

The annual meeting of the ratepayers of the Town of Blairmore and Blairmore School District No. 628 took place in the high-school room on Friday night last, members of the town council and school board and some forty ratepayers being present. Upon motion, W. J. Bartlett was chosen chairman of the town meeting, which convened at 8 o'clock.

Mr. Gillis, chairman of the Finance Committee, submitted his report, coupled with the report of the auditor for the past year. The report of the auditor as contained in last week's issue of The Enterprise, showed the town's financial position to be healthy, despite the several obstacles, such as cash shortages, Home Bank loss, etc. During the year a considerable amount of money has been spent on street improvements and maintenance, fire equipment, etc., all of which was paid for out of current revenue. Debenture payments had been met up to date, and at the end of the year 1926 the Town had a clear cash balance bordering on \$17,000. The sum of \$4,531.22 spent on waterworks and fire equipment awaited capitalization by debenture issue. The net taxable assessment for the year was \$1,050,370.

Commenting on the present condition of the town, Mr. Gillis as a retiring member of the council, desired to recommend, first, better streets. Considerable had been done in the past towards improving our main highway, but more attention should in future be paid to the streets and avenues of the town. The fire equipment, Mr. Gillis felt, was antiquated and better facilities for the housing of firemen and apparatus should be provided. Without accommodation we could hardly expect efficiency from firemen. He wished to compliment the firemen for their efforts on many occasions in the past, knowing they had put all their efforts into the work when required. The fire truck, he considered, represented money very well spent. He would also suggest the erection of a building, modern in type, suitable for the proper housing of the archives of the town, which has been operating as a corporation since 1911. This building should provide suitable storage room for apparatus and living rooms for firemen. The town needed more street lighting and better grading of side streets.

Satisfactory reports were received from committees as follows: Fire and Water—A. E. Ferguson, chairman. Light and Power—W. Patterson, chairman. Health and Relief—M. Sartoris, chairman. License and Police—R. Hays, chairman. Public Works—Evan Morgan, chairman.

Mayor Farmer was the last speaker to be called upon. He briefly reviewed the work of the year and thanked the members of the council and ratepayers generally for the support accorded him and the harmony that prevailed at all times.

Upon motion, the reports as submitted were accepted and approved. The meeting adjourned at 9.40.

Upon motion, Mr. J. E. Gillis was called upon to act as chairman of the meeting of ratepayers of the School District.

The following reports were submitted and read to the meeting by Secretary-Treasurer Naylor: Report of Trustees, Auditor's Report, Teachers' Report and Treasurer's Report.

The Treasurer's Report contained in part the following information: Total balance on hand at beginning of year \$7,410.41, taxes collected during year \$29,556.81, arrears \$4,294.98. Total cost of operation, including

rate reduction, \$53,594.87. Actual balance at end of year \$5,000.00. Exact cost of operation of school for the year was \$29,887.67. Teachers' salaries totalled \$16,127.75.

The Auditor's Report embodied statement of receipts and disbursements and the balance sheet as at December 31st.

Seventy-six per cent of current taxes were collected during the year, as compared with 78 per cent in 1925, 80 per cent in 1924 and 84 per cent in 1923. Debenture payments had been met promptly and at the end of 1926 the total debentures issued in 1922, \$14,000, had been reduced to half that amount; of those issued in 1924, \$12,500, a balance of \$8,750 was still outstanding but not in arrears. \$2,404.49 was allowed in discounts for the prompt payment of current taxes in 1926.

Auditor Battrum found "the books and records of the district had been handled in a very commendable manner during the past year. He visited the office of the secretary-treasurer four times during the year and on each occasion the work was up to date, the records in balance and the funds of the district regularly deposited with the Royal Bank of Canada at Blairmore."

According to the Teachers' Report, 44 children (245 girls, 299 boys) were in attendance during the year. School was kept open 194 days. Average daily attendance was 426.11. Eleven rooms were operated with average enrolment per room of 49.5. The Trustees reported one vacancy during the year, caused through the death of Mr. L. Dutil. This vacancy had been filled by the election of Mr. R. W. H. Pinkney. Mr. Chappell had been elected to succeed the late Mr. Dutil as chairman of the Board. Twelve regular meetings of the Board were held during the year and sixteen special meetings. These meetings were attended as follows:

	Reg.	Spec.
V. H. Chappell	11	16
A. A. Beebe	12	16
A. Wheatley	9	12
R. W. H. Pinkney	8	10
A. Hamilton	2	2
A. Dutil	1	5

Personal visits were made to the school by members of the board as follows: Chappell 20, Beebe 8, Pinkney 10. Mr. Chappell explained that Mr. Hamilton's position on the Board was declared vacant at the earliest possible moment. The vacancy occurred in November and he was not desirous of incurring expense of a bye-election at that time.

The valuation of assessable property within the school district is \$1,900,000, covering fifteen square miles and containing 635 resident ratepayers.

Mr. Chappell addressed the meeting briefly. He regretted having to relinquish active interest in the affairs of the school district and stated that he would not offer himself for re-election. Free supplies for the children of the school would have to be considered by the incoming board and was a matter worthy of their consideration. He thanked the ratepayers for their support in the past eight years in which he has had the pleasure of serving them. He had served by a similar capacity at Bellevue for nine years before coming here and now he wished to retire.

Tompkins-McVey—That this meeting expressed appreciation of the services of Messrs. Chappell, Hamilton and Wheatley, who had given of their best in the interest of the school and district. Carried.

Motion by Morgan-Hamilton—That a hearty vote of thanks be accorded Messrs. J. E. Gillis and W. J. Bartlett for their services as chairmen of

FIRE DESTROYS TWO STORES AT BELLEVUE

Fire which broke out in the Perzak meat market at an early hour on Wednesday morning, completely destroyed two buildings occupied by Mrs. Perzak and George Copeland as meat markets, with practically all their contents. The loss is estimated at eight thousand dollars, partly covered by insurance.

Luckily, very little wind was blowing at the time and the heavy rain helped considerably towards quenching the flames. The Bellevue siren was effective in arousing the whole community and the Bellevue fire apparatus was seen on the scene, supported by the Blairmore brigade and the meetings. Carried.

Motion by Gillis-Patterson—That a vote of thanks be accorded the school board for use of the school room for the annual meeting of ratepayers. Carried.

The meeting adjourned at 11.15.

JUVENILES TO MEET ON BLAIRMORE ARENA TOMORROW

Five games have already been played between Blairmore and Bellevue Juveniles, resulting in a tie, making a sixth game necessary. This game is to be played on the local arena tomorrow (Friday) night, at 8 o'clock, with "Doc" Barbour, of Bellevue, as referee. The fifth game, played at Bellevue on Monday night, resulted in a two-two score.

A record house is anticipated for the game tomorrow night.

The winner of the series has to meet Calgary.

ALLIANCE APPEAL
DISMISSED WITH COSTS

EDMONTON, Feb. 2.—Both sides claim a victory from the decision of the appeal court Tuesday on a case involving teachers' salary contracts, in which the trial judge's finding is sustained, but placed on different grounds. The board of trustees of Blairmore are again relieved from the damage claims for wrongful dismissal of the teaching staff of twelve in the summer of 1925, the appellate division holding that proper notice under the contract was given.

But in dismissing the claim, Mr. Justice Boyle had gone further and ruled that the minister of education had no power under the statutes to place clause six, which provides for the calling of a meeting to hear the teachers' defense before issuing notice of dismissal, in the contract forms in use. The appeal court intimates that the minister acted within his powers.

George H. Van Allen, counsel for the Alberta Teachers' Alliance, who appealed the case on behalf of the Blairmore teachers, declared in his argument that the important question of the method of terminating teachers' contracts was thrown in doubt in the judgment in the Blairmore case and calls the appeal court ruling as one that clarifies the situation. It vouches for validity of 4000 teachers'

contracts in the view of the alliance.

When the Blairmore board decided early in that summer to reduce salaries, a meeting was called to discuss the matter with the teachers. The teachers asked that J. W. Barnett, provincial secretary of the alliance, be heard in their behalf, but the board declined. Although this principle of collective bargaining was to be the first stage, it was not mentioned at the appeal.

The staff sued for \$17,000 damages for wrongful dismissal but reduced their claims to \$6000. In the factum of the board filed with the appeal court, reference is made to the evidence at the trial which showed that the teachers had agreed with the alliance not to take other schools but to report for duty and await results. If excluded, meantime drawing 90 per cent of their salary for such period from the alliance. The board engaged cheaper teachers, refused admission to the old staff who continued to draw money from the alliance until the following February when they secured positions at better salaries than previously.

In any event, damages based on loss would be small, the defendant said, and even if the first notice was not valid and the second was, the respondent submitted that the teachers could only claim 10 per cent of pay for the opening days of September, about \$5 each.

Without calling on D. G. Mackenzie to speak, the appeal court having read facts of both counsel and heard Mr. Van Allen argue, dismissed the appeal with costs. After having found that the clause covering termination of services was properly inserted in the printed forms by the minister, and seeing evidence that the contracts had been signed by both parties, the appellate division ruled that a meeting was called to hear the teachers and proper notice given of dismissals in 30 days after, which

terms expired before the end of the year-to-year contract, September 1st.

Counsel for the alliance pointed out to the court that within a couple of days of the Blairmore decision by Mr. Justice Boyle, Mr. Justice Ives in the case of Hunt vs. Brant School District, at High River, had held clause six to be "fair and reasonable" for inclusion in the contract, not even going into the powers of the minister to insert it in the printed forms.

The appeal was heard by Chief Justice Harvey, Chief Justice Simmons, Mr. Justice Beck and Mr. Justice Mitchell. A written judgment will be handed down later.

TWENTY-SIX BABIES AT
THE BABY CLINIC SHOW

At the baby clinic held yesterday afternoon, at the Kootenay Lake General hospital under the auspices of the Nelson and District Women's Institute, twenty-six tiny Canadians examined by Dr. J. H. Bennett, were weighed, measured and prescribed for. Miss A. MacArthur, matron; Miss M. Leonard, head nurse, and Miss R. Dawson, of the hospital staff, assisted.—Nelson News.

Miss R. Dawson is the daughter of Mr. and Mrs. T. S. Dawson, who resided in Blairmore for a number of years, but now live in Calgary.

The Strathcona Trust Physical Training Shield, open to the public schools in the Macleod Inspectorate, for the year 1926 has been awarded by Military District 13 to Miss Florence Cox, in connection with her tuition of Lee school, near Lundbreck, and for general efficiency of teacher and pupils. This carries with it a scholarship for the advanced physical training course given at the summer school for teachers, held at the University of Alberta. Congratulations are due to both teacher and pupils. Miss Cox is a sister of Miss Dorothy A. Cox, of the Blairmore teaching staff.

COWLEY BAPTIST CHURCH

Mr. and Mrs. M. A. Murphy were guests at the Shriner's at Calgary on Sunday and Tuesday of this week.

During the absence of Mrs. Murphy, Mr. Murphy was in charge of the church on Sunday and Tuesday of this week.

A meeting of the school fair committee was held on Saturday. Jack Alexander was elected president, with Miss Grove secretary.

A concert will be given by the Cowley Junior Mission band and Canadian Girls in Training in the United church on the night of February 14th.

The annual meeting of the Women's Institute was held on Thursday night at the home of Mrs. Griffith. All the old officers were re-elected as follows: President, Mrs. Leigh; 1st vice-president, Mrs. Bouthillier; 2nd vice-president, Mrs. Powell; secretary-treasurer, Mrs. Murphy; auditors, Mrs. Griffith and Mrs. Tustan; constituency representative, Mrs. Murphy; directors, Mesdames Swart, Heatherington and Morrison; on standing committee, education and better roads, Mrs. Morrison; agriculture, Mrs. Snyuer; Canadianization and national events, Mrs. P. McEwen; household economics, Mrs. Leigh; publicity, Mrs. F. Tustan; child welfare, Mrs. Griffith; immigration, Mrs. Doyle, and legislation, Mrs. Bouthillier. After the election of officers, ways and means of money making was discussed, when it was decided to put on a social evening and radio dance on Friday, February 4th, in Tustan's hall. A movement was also made to put on a St. Patrick's dance on March 17th. Preparations are going forward to make this the banner dance of the season. Adjournment was made after luncheon was served by Mrs. Bouthillier and Mrs. Murphy. The next meeting of this organization will be held at the home of Mrs. Murphy on Thursday, February 24th, at 8 o'clock.

What's in A Name?

\$100.00

FOR ONE WORD

[A New Name is Wanted For This Beer]

The Silver Spray Brewery was acquired in March last, by the Calgary Brewing & Malting Co., Limited—the oldest brewery in Western Canada.

A new company is being incorporated and we want a new name for the Beer, a name that will make you remember when you purchase.

WE WANT A DISTINCTIVE NAME—SHORT, SNAPPY AND EASILY SAID.

The new Beer will be the true type of the standard Canadian Lager Beer, brewed with expert knowledge and thoroughly matured.

Think of a name. \$100.00 will be given to the one who suggests the winner. In case two or more contestants give the name chosen, the award will be divided.

All Replies to be in by Feb. 12th

TO CLEAR UP A WRONG IMPRESSION

The following is a copy of a letter sent to the Lethbridge and Calgary daily press last week:

"Cowley, Alta., Jan. 26, 1927.
Editor Herald,

Sir:—I have read in the issue of your paper of yesterday a report on the action at the instance of Mr. Nicholas J. Verigin against the Christian Community of Universal Brotherhood, Ltd. As this report is liable to create a wrong impression among the readers of your paper as to the attitude of the community on the school question, I wish to state that there is no restriction whatever on the members of the community sending their children to the public schools in this province and this is a matter that is left entirely to the individual members themselves, who if they so wish, may themselves attend any public school as well as their children. It is the earnest wish of the community that the members uphold and obey the laws of this province where they live and make their homes. My own children attend the public school here and have done so since they were of age to be admitted to school, and many of the children of the other members of the community attend the public school.

I was greatly surprised to learn that Mr. Nicholas J. Verigin claims that he was excommunicated by that body as he is still regarded by the community as a member of it.

Yours truly,
P. N. Potapoff,
Manager and Treasurer."

According to the annual financial statement, Macleod's debt per capita amounts to \$372.00. The total outstanding debenture indebtedness amounts to \$447,611.48. Electric light and power operation had a surplus for the year 1926 of \$11,609.96, and the waterworks department a surplus of \$1,525.25.

REGULAR MONTHLY MEETING BOARD OF SCHOOL TRUSTEES

The regular monthly meeting of the Blaimore Board of School Trustees was held at the office of Secretary-treasurer James H. Naylor on Friday evening last at 7 o'clock. Chairman Chappell and board members Beebe and Pinkney being present.

The minutes of previous regular meeting of January the 26th and special meeting of the 30th were adopted, and the following accounts were passed for payment: E. D. Batturum, auditor, \$100.00; W. A. Beebe, insurance \$69.00 and \$103.50; West Canadian Collieries, for coal, \$332.50; J. Jenkins, repairs to west ward school, \$2.50; E. J. Pozzi, lumber, \$8.10; Blaimore Enterprise, printing, \$13.45; S. Ennis, hauling coal and wood, \$105.00.

Not on that this Board tender their thanks to Mr. and Mrs. Harry Burns for their generous gift of sixty-two volumes of Collier's "Nations of The World" and three volumes "History of the Nineteenth Century." These will be found very useful. Carried.

Chairman Chappell announced that three vacancies would occur on the Board, to be filled at the forthcoming election, and that he would not offer himself for re-election at this time. Mr. Chappell had served the district for about eight years and desired to be relieved.

Motion by Mr. Pinkney that the Board tender their thanks to the retiring members, Chappell, Wheatley and Hamilton, for valuable services rendered during their term of office. Carried.

The meeting adjourned at 8 o'clock.

Brewster's Taxis propose to inaugurate a bus service this year between Banff and Waterton.

"THE SON OF A SHEIK"

Rudolph Valentino in "The Son of a Sheik" will be the big attraction at the Orpheum Theatre on Saturday afternoon and night.

In book form, "The Son of a Sheik" has had a million or more readers. Moreover, forty big-circulation newspapers have run or are running the serialization of the novel.

Here is Valentino's ace picture, the type of photoplay in which the public demanded him. "The Son of a Sheik" surpasses "The Sheik" of five years ago by fully five years of advanced production technique and by an equal period of confirmed audience reaction to the exotic appeal of Rudolph Valentino. In short, Valentino, with Vilma Banky, directed by that master craftsman, George Fitzmaurice, delivers to a receptive public this ideal symphony of youth and vitality—a swirling romance alive with elan and colorful love climaxes in a tornado of action.

Don't miss it.

50TH BATTALION C.E.F.

It will interest ex-members of the 50th Battalion, C.E.F., to know that at a recent meeting of the banquet committee, it was decided to hold the next annual banquet and reunion on April 8th in the Hudson Bay Elizabethan Room, Calgary. Such functions have been extremely successful in past years but it is hoped to go still better on this coming occasion.

Old members of this famous fighting unit are cordially invited to be present and are requested to get in touch with the secretary, C. W. Morris, care Canadian Legion, Calgary, so that desirable personal arrangements for accommodation may be made.

FERNIE POWER CHANGE

In the near future the East Kootenay Power Company will make the necessary mechanical changes and arrangements to place the city of Fernie in the position of having two power transmission lines available for service there. At the present time, while two high-tension transmission lines pass through the city, but one of these is connected up to supply electrical energy there, the other line transmitting power to eastern Crow's Nest points. The necessary work in connection with the anticipated change will be carried out with very little interruption of service, it is stated, and after the new installations are made, Fernie will not be cut off in the case of the single power line now serving it going out of commission, the second or auxiliary line being immediately available.

GETS RECOGNITION

J. H. Munro, internationally known fur dealer of Revelstoke, was elected head of the Revelstoke board of trade last week. This is some recognition of the wonderful publicity that has been brought to Revelstoke and district through the fur exhibits put on by Mr. Munro at many of the big exhibitions, and also at Wembley, England, and in New Zealand.

Mr. Munro has built up the largest one-man fur business in Canada, and is also president of the Revelstoke Port, Canadian Legion, and is secretary of the directors of the Revelstoke Y.M.C.A.

His Excellency the Governor-General and Lady Willingdon will be the guests of the city of Calgary at Easter, April 16th and 17th.

Dog licences are now issued by the provincial police in British Columbia and possession of one of such permits is compulsory for all dog owners.

AS A LAST RESORT

After several years of unsuccessful effort to get a local business man to advertise, the publisher of a weekly newspaper recently was surprised to receive an order for a full page ad from his former non-advertiser. Glancing over the copy, the publisher discovered that it announced a "closing-out sale." The man was going out of business. His advertising competitors had taken his trade and there was nothing left for him to do. So the newspaper had landed its prospect at last. This business man had recognized the power of advertising to help him to get out of business, but had failed to recognize its power to help him stay in business. There are a lot of people like that.

Said the guest, upon approaching his host's home in the country: "Ah, there are some of your family on the balcony. I suppose that girl in the short, dress is your daughter, the young man in riding breeches is your son, and the woman in the tea gown is your charming wife?"

Said the host: "No, you are wrong. The girl in the short dress is my mother, the young fellow in the riding breeches is my wife, and the woman in the tea gown is my twelve-year-old daughter, who likes to dress up in her grandmother's old dresses."

Ma—"Why didn't you kiss the maid when she left?"
The Kid—"I was afraid she'd slap me like she did daddy."

In Plain Words
Professor—"Your pneumatic contrivance has ceased to function."

Motorist—"Er—what?"

Prof.—"I say, your tubular air container has lost its rotundity."

Motorist—"I didn't quite get—"

Prof.—"The cylindrical apparatus which supports your vehicle is no longer inflated."

Motorist—"But —"

Prof.—"The elastic fabric surrounding the circular frame whose successive revolutions bear you onward in space has not retained its pristine roundness."

Motorist—"Would you kindly —"

Small Boy—"Hey, Mister, you got a flat tire."

Nervous Woman (to persistent beggar)—"If I give you a piece of pudding, you'll never return, will you?"

Beggar—"Well, lady, you know your pudding better than I do."

The town of Truro, Nova Scotia, with a total income of \$203,273 reports a deficit for the year 1926 of \$17,347.1.

A stranger was being shown over the rooms of the Boston Chapter of the G.O.P.F.

"And this is the lodge room?" he asked.
"Well, it is rather lodge, of course, but the one next to it is lodge."

The Nanton Juniors arrived here on Wednesday minus their birth or marriage certificates. To the average on-looker, most of the lads appear to be over the junior age, and the game last night was played under protest on that account.

R. H. Knight, member of the firm of Driscoll & Knight, surveyors and engineers, Edmonton, will shortly be appointed as superintendent at Jasper Park, succeeding Colonel Maynard Rogers, who is being transferred.

A Valentine's whist drive and dance will be staged at the Moose Hall on the night of Tuesday next, February the 15th, under the auspices of the Blaimore Chapter of the Mooseheart Legion. Whist at 8 p.m. sharp.

The provincial department of education has appointed Mr. E. L. Fuller, of Wetaskiwin, as high school inspector to work in conjunction with Mr. J. A. Smith, the present inspector.

Mr. A. Lindley, former secretary-manager of the B.C. Fruit Growers' Association at Creston, has been appointed acting salesman by the Southern Alberta Co-operative Association.

Three games are being played between Bellevue, Blaimore and Coleman senior teams for the purpose of choosing an all-star team to enter the Allen Cup championship series, which will be captained by "Doc" Barbour, of Bellevue.

Rah Rah, a titled Indian prince, was a visitor to Blaimore on Monday and met with a number of his compatriots at McLaren's Mill and points west as far as Nelson. Rah Rah is interested in Indian colonization in Canada and in co-operation with Mackenzie King and the minister of immigration hopes to establish a colony in the neighborhood of Grassy Mountain. Rah Rah is an accomplished singer and Harry Lauder impersonator and was the guest of quite a few parties while here. He left for Pincher Creek by today's local train, where he hopes to install Harvey Bosenberry.

DOES NOT AFFECT THE HEART

Safe Accept only "Bayer" package which contains proven directions. Handy "Bayer" boxes of 12 tablets also bottles of 24 and 100. Druggists.

Aspirin is the trade mark (registered in Canada) of Bayer, Manufacturers of Monoclonal-acetic acid Salicylic Acid (Aspirin). While it is well known that Aspirin is a Bayer product, to avoid the public attention, the Bayer Co. of Germany will stamp with their general trade mark, the "Bayer Cross".

Survivors Of a Bygone Age

Newspapers throughout Canada recently printed accounts of a decision reached by the ratepayers and trustees of a school district in Ontario which is almost unbelievable in this day and generation. The little school house in this particular district is lighted by oil lamps, and, according to the teacher, for at least twenty-five years in the year the light is so poor the children can hardly see the blackboard. Under the circumstances a community club offered to pay the cost of the installation and maintenance of electric light, an offer which presumably the school district officials would be only too glad to accept.

On the contrary the offer was refused and the reason for refusal was that oil lamps were good enough years ago and consequently were good enough now; that, in a word, what was good enough for their fathers and grandfathers was good enough for their children and grandchildren.

If the ratepayers of this Ontario school district are consistent, one is forced to the conclusion that they still carry on their farming operations with hoes and rakes, hand sickles and scythes, according to use modern farm machinery; that they plod to town with a yoke of oxen, and utterly despise such new fangled notions as railway trains or automobiles; telephones, telegraphs and radio must be anathema to them.

Fortunately for Canada there are few people of the same mind as these Westminister township school ratepayers. It was not men of this type which built up this Dominion. Rather, the pioneers who came first into Eastern Canada and later pushed out over the almost limitless expanses of the prairies were men and women determined that, whatever hardships they had to undergo and put up with, their children and their children's children should be better off. They were most decidedly of the opinion that what was good enough for their grandfathers was not good enough for them, and the best was not a bit too good for their children. Consequently they conquered the virgin forests and the virgin prairie; made homes, constructed roads and railways, built cities, schools and universities, and made Canada what it is today.

This constant urge and striving for something better, this insatiable demand for development and improvement, is the glory of mankind, the distinguishing mark between man and the beasts. In it is to be found the secret of all progress. Without it the world would stagnate, deteriorate, and become irretrievably lost.

It may be that some of the younger generation of today are demanding too much; that they insist upon beginning life where their fathers left it, and expect ease and comfort and the rewards which labor alone can bring without expending the effort which all must make if they would really enjoy life and prosper in this world. But placing a proper restraint upon such ill-advised desires, and curbing such youthful folly, is an entirely different thing to depriving the children of today of the advantage with which science, invention, and years of enlightenment has blessed the world.

Apparently this little group of ratepayers and school trustees are not only willing to endanger the eyesight of their children but would condemn them to lead the same benighted, ignorant and unprogressive lives they apparently are content to live. We venture to predict the children will rebel and at the earliest possible moment break away from their home environment and launch out into the world of light, progress and advancement.

Life is progress, and if there be no progress life is not worth the living. In old age we become more conservative in thought and habit and averse to change. Youth, on the other hand, is all energy and must forge ahead. It is well for the world that this is so. Those of mature years rightly provide from their ripper experience necessary safeguards to impetuous and ill-considered action, but if they are wise they will not present themselves as rigid and immovable obstacles to the acceptance of new ideas.

The surest guarantee of keeping the boys and girls in the old home district, and preventing them from flying off to the cities and other faraway fields presenting great lures, is to make the old home surroundings as up-to-date and attractive as possible, thereby providing a powerful rival to that other world which beckons. If parents and communities realize this and act accordingly, they will also find they have a great ally in the appeal which home always makes to every boy and girl.

The ratepayers and school trustees of Westminister township, Ontario, provide a horrible example of how not to do things.

Cold Winter In Russia

Two Thousand Fishermen Reported to Have Been Frozen to Death

Two thousand Caspian sea fishermen have been frozen to death at Astrakhan, while hundreds of homeless waifs have met a similar fate in Crimea and Ukrainian cities during one of the coldest winters ever experienced in Russia, says a Moscow dispatch to the London Daily Mail. Many

trains are snowbound in various sections of Russia, and passengers are arriving at their destinations with their hands frozen.

Helping the Blind

Canadian National Institute for the Blind at Winnipeg Doing Good Work

A good work is being carried on by the Canadian National Institute for the Blind at 52 Gerie Street, Winnipeg. Employment is furnished men who are stricken with blindness in the making of useful articles that find ready sale. The blind-made goods are known as "Touchcraft Products," and are reliable as to quality of materials and workmanship. By buying from the Canadian National Institute for the Blind, you will help the afflicted in their fight against the greatest of all handicaps, despair because of blindness. Touchcraft letter baskets, picnic baskets, work baskets, jardiniere and numerous other articles are sold at moderate prices.

Airdrome at Edmonton

The first municipal airdrome in Canada has been completed at Edmonton and the initial machines to use it came up from the Federal Government's big station at High River.

Queer Rite Observed By Hindu Pilgrims

Circle Sacred Places by Series of Prostrations

When Hindu pilgrims visit a sacred place they go around the spot by a continuous series of prostrations. They carry a stone in their hands and when they drop on the ground they stretch their arms out as far as possible and leave the stone on the ground so as to measure their length. Then they arise, walk the six or seven feet to the stone, and pick it up. Again they prostrate themselves, leave the stone, arise, and so on until they have returned to the starting point.

Many of the circuits are more than three miles in length, and it requires an entire day to make the whole trip. Each mile usually requires one thousand prostrations, and when a devotee has dropped three thousand times he is so nearly dead that he rolls over in the dirt to the side of the road and rests there until the next day.

Home Not Complete Without Nervine

When your stomach is badly upset, when you are belching gas and suffering from nausea, the quickest relief will come from 25 drops of Nervine. Take it in sweetened water and you get an immediate result. Nervine has been used for nearly half a century, and is considered a necessity in most homes, because of its usefulness in preventing many small ills that so constantly arise. Sold everywhere in 3-cent bottles.

The Liquor Habit

Victims of this habit will be interested to learn that the celebrated treatment of the Normyl Association, of London, England, can now be obtained in Canada. This treatment which removes all craving for alcohol in a few days has, among other prominent people, been endorsed by Lord Northcliffe, Lord Armstrong, Sir Charles Morrison-Bell, Sir Edward O'Malley, Sir Arthur Wilson, Sir Owen Seaman, The Prime of Ireland, The Bishop of Winchester, the Bishop of Clichy, and the President of the Church Institutions, and Press of Great Britain. Particulars regarding the treatment can be obtained from Mr. J. W. Dixon, 529 Strathmore Boulevard, Toronto 6, Ontario.

In all infinite complaints that are the result of the depredations of worms in the stomach and intestines Miller's Worm Powder will be found an effective remedy. They attack the cause of these troubles, and by expelling the worms from the organs insure an orderly working of the system, without which the child cannot thrive. The treatment is simple and the powders mean health and improvement.

The wine of good nature is the best stimulant in the world. The man or woman possessing a well of this vintage has friends apiece wherever he or she goes.

It Testifies for Itself.—Dr. Thomas' Electric Oil needs no testimonial of its powers other than itself. Whoever tries it for coughs or colds, for cuts or contusions, for sprains or burns, for rheumatism or body aches, will find that the medicine proves itself and needs no guarantee. This shows why this Oil is in general use.

We're telephoning to London now—the only way the Atlantic hasn't been crossed is on roller skates.

COLDS COST MONEY

FORTIFY YOURSELF AGAINST THEM

It is estimated that a sufferer from colds loses three days' time from work in a year. At work, in the home, or at any entertainment, if your neighbor has a cold and sneezes or coughs, the germ is full of germs, and you are not in good condition, you may become ill. The only protection you can have is to take resistance against disease forces. Take that splendid herb tonic,

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY

It increases the appetite, stimulates the digestion, helps to enrich the blood and to improve the health generally. Procure it from your druggist, in either liquid or tablet form. Write Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., if you desire free medical advice.

Saskatchewan Winter Fair

Price List Includes Classes for All Breeds of Horses

Entries for the annual Saskatchewan Winter Fair to be held at Regina March 22 to 25 inclusive close on Saturday, March 15th. The price list just issued includes classes for all breeds of horses as well as a farmers' commercial section. Classes for cattle include those for beef cattle with Short-horn, Hereford, and Angus characteristics respectively besides providing for caribou and groups of five finished steers. In all it is a very comprehensive programme.

In conjunction with the winter fair the annual poultry show will be held, the price list for which covers the various breeds of laying classes as well as a live poultry sale class, birds from which are offered for sale at dated prices. D. T. Elderkin, Regina, is secretary of the fair.

Building Destroyers and Subs

Competition Has Shifted From Capital Ship Navy London Paper

The competition in naval armaments which used to centre round the capital ship has been shifted to destroyers and submarines. Never were so many vessels of his type, attack, building, or projected, as at this moment. This activity it is which constitutes the urgent naval problem, and not the replacement of cruisers worn out before their time by the exacting conditions of the Great War. Vast treasure is being poured into the shipyards of the world in order that some of the Powers may increase their flotillas of mosquito craft. Why? The movement continues without explanation of the policy which lies behind it.—London Daily Telegraph

A WEAK STOMACH

Can be Strengthened Through the Use of Dr. Williams' Pink Pills

Wonderful is the process by which the chemistry of the body changes the redness of the blood. And the whole of our well-being depends upon this being maintained day after day, year in and year out. Sometimes the process becomes faulty, and the food begins to poison the blood instead of feeding it. This is followed by all the signs of indigestion, such as gas on the stomach, pains around the heart, often nausea after eating, and a dislike for the kind of food.

The only way to overcome these troubles is to tone up the digestion—help me to eat and assimilate. To do this you have only to take Dr. Williams' Pink Pills. A short course of these pills will put you on the stomach and banish indigestion. Here is a bit of convincing proof given by Mrs. C. F. Loring, Ellerslie, B.C., who says: "For some years I was suffering from stomach trouble. Everything I ate caused distress, sour stomach, and belching. I could not eat meat or potatoes, and I grew weak and nervous. No medicine seemed to help me until I was persuaded to take Dr. Williams' Pink Pills, and these simply worked wonders. I took the pills faithfully for a couple of months, the trouble disappeared, and there has not since been the slightest symptom of stomach trouble. No wonder I praise Dr. Williams' Pink Pills." You can get the slightest symptom of stomach trouble, and there is no medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Prosperous Times Ahead

Demand for Electric Energy Shows Industrial Development of Canada

In the growing demand for electric energy to meet the expanding needs of Canadian industries can be seen evidence of the satisfactory position into which they have worked themselves. Expansion does not happen without reasonable expectation of a profitable return, and this again warrants the conclusion that prosperous times lie ahead. The movement also discloses a firm conviction that, industrially, the country has developed on a sound and solid foundation.

Overseas Bookings

For the convenience of overseas travellers, through tourist sleeping cars are being operated by the Canadian Pacific Railway each week from Winnipeg, to connect with steamers sailing from West St. John, N.B. These tourist cars assure connection and facilitate transfer from train to steamer, as they go direct to the ship's side. Any ticket agent of the Canadian Pacific will arrange overseas bookings and reservations on these cars.

Permission to restate in a will words which had been bitten out by a dog, was the unusual subject of a motion heard in an English probate court the other day.

Complete in Itself, Mother Graves' Worm Exterminator does not require the assistance of any other medicine to make it effective. It does not fail to do its work.

Most of the dogs used in vaudeville acts are mongrels. Showmen say they are smarter than thoroughbreds.

Athletes use Milnard's Liniment.

Well-Known Home Builder Quickly Restored to Health

Victim of Nervous Indigestion, Loss of Sleep and Intolerable Pain, Father of 8 Children Finds Long-Sought Relief, Strength Restored, Praises Tanlac

Joseph A. Brunet, a well-known Montreal building contractor, 7053 River Street, says: "This brave, muscular and splendid health of the strongest man will break under the strain of modern living."

When I began taking Tanlac, my strength had vanished. I couldn't work efficiently, I couldn't enjoy life as other men did. I had lost weight and was wracked by knife-like pains.

I was completely discouraged when Tanlac was recommended to me and I took it. I recommend it to anyone who is suffering from nervous indigestion.

"This tonic worked wonders with me. Quickly my old strength returned. I began to have a great appetite and ate everything without a sign of pain. Once more I knew what it was to have a good night's sleep. Tanlac certainly put me on my feet, made me stronger and gave me better health than I have had in years."

Tanlac usually handles, pain. Conquers ailments and builds up strength in flimsy bodies. It relieves the symptoms of poison caused by constipation.

and sluggish liver. It is nature's own remedy made from roots, barks and herbs according to the famous Tanlac formula.

Banish sickness from your life and enjoy the benefits of golden health. Begin taking Tanlac. The first bottle usually brings results that will surprise you. Ask your druggist for Tanlac—today!

Planning Flight Into North

U.S. Aviator Undertaking Journey From Montreal to Mouth of Mackenzie River

One of the most sporting ventures in the history of civilian flying in Canada is to be undertaken next summer by D. O. McKee, a flying enthusiast of Pittsburgh, Pa.

Mr. McKee proposes to fly from Montreal to the mouth of the Mackenzie River, on the shores of the Arctic, and it is possible he will go south along the coast of British Columbia and cross the Rockies on his return trip.

Mr. McKee has personally placed an order with a Montreal firm for two seaplanes of the Vodyat type which are to be finished in the spring.

Two planes will be used. They will head West over the North shore of Lake Superior to Manitoba, then Northwest across Saskatchewan to Great Slave Lake. Then they will follow the Mackenzie River to its mouth on the Arctic Sea. The plan is to turn South into Alaska, coming out upon the Pacific Coast and going south to some of the passes through the Rockies. There is an alternative plan of returning from the Arctic through the Yukon territory into the Peace River country and home across the prairie.

Mother's Value This Oil.—Mothers who know how suddenly a crowd may seize their children and how necessary prompt action is in applying relief, always keep at hand a supply of Dr. Thomas' Electric Oil, because experience has taught them that this is an excellent preparation for the treatment of this ailment. And they are wise, for its various uses render it a valuable medicine.

Dance shoes are called pumps because of their association with the celebrated Beau Nash at the Pump Room in Bath, England.

Infants deaths in Tokyo last year totalled 20,856, or about 25 per cent of Tokyo's death rate during the year.

From Fort Arctic in the Mackenzie District comes this letter: "I was several times attacked by dizziness to go outside and have an operation performed for gas or a severe attack. Some two years ago several of my friends and I recommended Gin Pills to me."

"I cannot too highly recommend Gin Pills to the public in general."

JAMES E. NAGLE, Manager, Northern Trading Company, Arctic Red River, Mackenzie District.

If you have a lame back, constant headaches, swollen hands and ankles, or any form of kidney or bladder trouble, do as Mr. Nagle and thousands of others have done, get a box of Gin Pills. They soothe and restore the kidneys to normal action. Get them today. 50c at all druggists, National Drug & Chemical Co. of Canada, Limited, Toronto, Canada.

BRITAIN WILL OFFER GENEROUS TERMS TO CHINA

London.—Great Britain is about to offer China what are described as "generous" terms, to end if possible the serious situation, with its grave possibilities, that has arisen in the Far East.

The British press and public are anxiously awaiting official publication of the proposals, but up to the present the ministers content themselves with repudiating inaccurate versions of alleged terms published in the foreign press, and at the same time asserting that the terms, when made public, will be found to be generous. The impression is given from the ministerial hints is that while the proposals may not go far enough to satisfy the government's Liberal and Labor critics, they will prove too conciliatory to please the ultra-Conservative supporters of the government and the British business community in China.

Though it is understood that the terms will provide for the eventual surrender of the British concessions in China, including extra-territoriality, nothing has been allowed to leak out concerning a question which is considered vastly more important, namely, what are the guarantees that will be required from China and in what way does the government propose to get over the difficulty that there is no single governing body in China at the present time by which such guarantees could be extended.

It is generally assumed that the government, in drafting its proposals, has looked beyond existing difficulties to something which will provide security and a satisfactory basis for trading of a permanent character.

West Indian Negroes Greet Royal Couple

Several Thousand at Balboa Take Part in Welcome to Duke and Duchess

Balboa, Panama.—After a brief stay in the canal zone, the Duke and Duchess of York continued their voyage to Australia. The British cruiser Retown on which they are travelling is crowded with the local white and colored people. The water front. The Royal couple remained on the after deck until the vessel was almost lost to sight.

The British colony was given an opportunity to greet the Duke and Duchess. It was a profound manifestation of loyalty in which several thousand West Indian Negroes had a part.

Replying to addresses by prominent members of the colony, the Duke showed emotion and found difficulty in easy speech. He gave the colonist his assurance that he would inform the King of their loyalty. Later there was an inspection of war veterans and Boy Scouts, and the Royal party had luncheon with President Chial.

Ontario Wheat Pool

Will Work in Conjunction With the Three Western Pools

Chatham, Ont.—Launching of Ontario's grain pool, modelled along the lines of the Western Canada organizations, took place at a meeting of 300 Kent County farmers here.

The Ontario pool will work in conjunction with the three Western Canada pools and when it is fully organized it is hoped that the greater portion of the grain grown from the Ottawa River to the Rocky Mountains will be marketed through one central organization in the hands of the producers themselves.

The form of contract adopted by the Ontario pool is very similar to that of the Manitoba Wheat Pool. The grower who signs up agrees to dispose of all his grain through the pool for a term of five years.

Discourages Return of Missionaries to China

Cable Advises Any New in America Not to Sail

Toronto.—A cable received by the Toronto headquarters of the China Inland Mission from the Shanghai mission house, makes reference to the troubles in China and discourages the return of missionaries now in America. The cable was received in reply to a message sent to Shanghai asking advice regarding the return of Mr. and Mrs. Seaman from Vancouver on February 26. Mr. and Mrs. Seaman, who are Australians, have been spending a furlough in Canada and the United States.

Thinks India Should Help Protect Shanghai

"Times" of India Believes it Duty of Government

Bombay, India.—The view expressed by Nationalist newspapers that troops from India should not be sent to Shanghai, is not shared by the "Times" of India, which considers it the "plain, irrefragable duty of the government" to secure the protection of the international settlement in Shanghai so long as that security depends upon existing treaties. "There is a large Indian community in Shanghai and very important Indian commercial interests there; it is just and proper that troops from India should share in this essential duty," the Times points out.

Talk of war with China is nonsense, in the opinion of the Indian Daily Mail, which says that protests against sending a contingent to China are not well advised, "since the prompt despatch of a contingent may prevent further aggravation of the conditions in China and promote a peaceful settlement."

Would Repeal Present Act

Bringing Provisions of Livestock Act in Force in Saskatchewan is Proposed

Regina.—It is proposed by legislation to bring provisions of the Federal Livestock and Livestock Products Act of 1923 into force in Saskatchewan.

A bill to enact such legislation has been distributed and provides that the Dominion Act and amendments thereto, and the regulations thereunder enacted or made, are within the legislative authority of the province and outside of the Dominion of Canada. Such provisions shall have the force of law in Saskatchewan, and unless otherwise enacted by the legislature of Saskatchewan shall be and remain in force until repealed by the Governor-General in Council.

The Lieutenant-Governor is given power to bring into force any superceding act or amendment to either of said Acts.

The Livestock and Livestock Products Act of Saskatchewan, 1923, will be repealed by the present Act.

Keep Out of Politics

B.C. Prohibitionists Will Not Form a Political Party

Vancouver.—There will be no separate political organization of B.C. prohibitionists. It was decided by an overwhelming vote at a provincial convention of prohibitionists here, attended by representatives from all parts of the province.

Rev. W. W. Peck, late secretary of the British Columbia Prohibition Association, in a communication, advised against political organization, and also the secretary of the Alberta Prohibition Association, and W. D. Bayley, M.L.A., of Winnipeg. The secretary of the Anti-Saloon League of Washington, D.C., also, in a letter, re-acted the misfortune that has befallen the path of the prohibitionist's party in the United States.

'Plane Drops Food and Fuel

Aviators Carried Aid to Fishing Tug Crunched in Ice

Michigan City, Ind.—The fishing tug Imperial, with three hungry men aboard, was found stuck fast in a huge ice field seven miles north of Michigan City, and food, coal and medical supplies were dropped by the discovering aeroplane which sailed within ten feet of the little craft.

The three fishermen aboard had been without food for three days. Approximately in the centre of an ice field a quarter-mile square, the little vessel made a good target for the food-carrying plane, and a half-ton of coal was dropped in fifty-pound bags on the ice alongside it.

Election Was Unanimous

Captain D'Oley Named World's Outstanding Aviator of 1926

Paris.—Captain D'Oley, French aviator, who has distinguished himself with flights to French Indo-China, Russia and other parts of the world, has been named by the International League of Aviators as the world's outstanding aviator of 1926.

Sir Alan Cobham, of England, who made a round trip to Australia, was also named on the first ballot, but D'Oley's election later was made unanimous.

Population of Saskatchewan Ottawa.—The population of Saskatchewan was 821,042 at the census taken on June 1 last. This is announced in a preliminary statement issued by the Bureau of Statistics. The result shows an increase of 62,832 over the census of 1921.

Big Colonization Plan

15,000 Settlers to be Located in Three Western Provinces This Year

Calgary.—Three thousand families, or roughly speaking, 15,000 people, are assured for settlement on the three prairie provinces during 1927. T. O. F. Herzer, manager of the Canadian Colonization Association, told the representatives of the various colonization boards when they met in conference here. Mr. Herzer explained that this meeting differed from other colonization conventions in that its object was not the attracting of settlers but to find out how many of the 2,000 families, known to be coming to the West this year, could be taken care of in Alberta.

"Our purpose of meeting here," he said, "is to take an inventory now to find how many can be placed on land in this province on Canadian Pacific Railway land, on private land, on Crown land, and on Government-owned land."

Mr. Herzer emphasized the fact that there was no attempt to replace Canadians by "half-baked Europeans."

BRITISH AND CHINESE IN RACE FOR SHANGHAI

London.—The race for Shanghai, prize city of the Orient, is on between the British army and navy, and the Chinese Nationalists. The Cantoneses conquest of the great international settlement at the mouth of the Yangtze, where 40,000 foreigners reside and many foreign refugees from all parts of China are now gathered and where the immense foreign trade interests of China are centred, must be accomplished within six weeks if the Cantoneses are to avoid dealing with the British defence force of 20,000 men who are hurriedly leaving or will soon leave English ports, Malta and India.

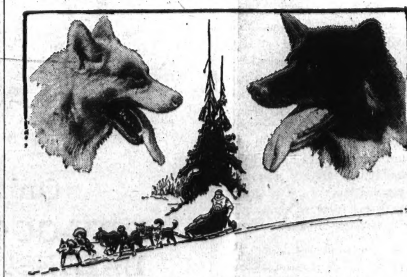

It is repeatedly emphasized by the British foreign office, however, that there will be no clash between the British and Cantoneses unless British lives and property in Shanghai are endangered. The British defence force will make no effort to prevent the Cantoneses from entering and occupying the city of Shanghai if they are strong enough to do so.

The British maintain that the question of the control of Chekiang province, right up to the limits of Shanghai's international settlement, is a problem to be settled by the attacking forces of General Chiang Kai Shek, commander of the Cantoneses troops, and the defending army of Marshal Sun Chuan-feng, ruler of Chekiang.

Should Shanghai itself be threatened either by actual fighting or by the ravages of a Chinese army, the British defence force, together with the Shanghai volunteer organization, and whatever forces Japan, United States and France have available, would probably be employed along the 21-mile line, which would completely cut off Shanghai from the interior and render the city unassailable from Chinese attacks or occupation. This 21-mile line has been defended on previous occasions by volunteers and foreign detachments when Chinese civil war threatened the city.

In England there is one telephone to 27 inhabitants, compared with one telephone to every seven in the United States.

Dog Stars of the Chateau Team

Whether or not the cameraman chased these husky dogs over the countless miles of snow he claims to enter to catch them with their tongues hanging out and out of breath is hard to tell. There is no denying however that he has established an admirable record of pictures. The victims of the chase are at the left, "Jeff," and "Fang" at the right, two of the seven huskies of the Chateau Frontenac Dog Team. This team is led by "Moulin," a veteran with a romantic record of service in the far north, with the Royal Canadian Mounted Police.

ONTARIO AGREES WITH QUEBEC ON THIS QUESTION

Toronto.—Complete agreement with the position taken by Premier Taschereau of Quebec to the effect that no changes should be made in the constitution of Canada without reference to the individual provinces was expressed by Premier Ferguson here.

"Mr. Taschereau is entirely correct in his view," said the premier. "The constitution is an agreement arrived at among the provinces as the result of a conference between them. It would be essential that any amendments to it should similarly be submitted to all the provinces and receive their consent."

"Not only do we agree with what Premier Taschereau has said, Ontario herself would protest, and protest vigorously, if it were proposed to make any change in the constitution without consulting her."

Flu Takes Toll in Britain

667 Deaths From Epidemic Are Reported in One Week

London.—A whippy spell last week has caused the recent epidemic of influenza, which has been prevalent in many parts of Europe, to tighten its grip on Great Britain, 667 deaths being reported in Britain for the week ending Jan. 26.

The official death toll in the country of London has shown a steady increase during the past three weeks, the figures being 72, 137 and 197. The reports from 105 large towns apart from London for the same period of time show 122, 326 and 470 deaths.

In some of the poorer districts of London people have had to stand in line to obtain death certificates. Hundreds of school teachers are ill while some small shops in the East End have put up their shutters and placed a notice on the door: "The whole family is ill of influenza. Will reopen when better."

Settle Wage Dispute

Thirty Thousand Rail Shopmen Affected by Scale Revision

Montreal.—Settlement of the wage dispute involving 30,000 rail shopmen on also Canadian railroads was announced here by the Railway Association of Canada. The men asked for 10 cent an hour increase. Settlement was effected on a basis of increases between two and four cents an hour. The agreement is the result of negotiations which have been proceeding for some months between the Railway Association of Canada and Division No. 4, Railway Employees' Department, American Federation of Labor, representing employees in railway shop trades. The revision of certain working conditions was also effected.

Butter From New Zealand Montreal.—Twenty-five thousand boxes of New Zealand butter, each box weighing 56 pounds, will be landed at Halifax, N.S., by the steamship Arara, some time around February 13. Montreal produce men here declared that due to the demands of the U.S. for Canadian cream and milk, domestic butter supply was insufficient for the needs of Eastern Canada.

Winnipeg.—Momentous questions on Empire relations, immigration, soldier settlement and organization were cleared from the agenda before the national convention of the Canadian Legion of the British Empire Service League.

The report on Empire relations, which was unanimously approved by the convention, calls for the adoption of a Dominion policy directed towards harmonious relationships within the British commonwealth of nations and that the solidarity of the Empire be assured by the exercise of practical measures of immigration, industry and education.

The report was described by one speaker as one of the most "valuable documents" ever drawn up in the country. The committee responsible for its construction was composed of Dr. G. H. Waite, mayor of Hanna, Alta.; Brig-General Sir Richard Turner, Quebec City; Brig-General F. S. Meighen, Montreal; E. E. Spencer, Morbin, Man.; and Col. J. McCra, mayor of Regina.

The outstanding recommendations of the report provide for: Migration and land settlement within the Empire; development of Empire markets for all products; suppression of foreign literature and films whose influence is antagonistic to British ideals; development of the spirit of Empire among the people of the Dominion as an offset to dangerous foreign activities; introduction of text books in schools of British composition and manufacture; safeguarding of Empire contracts.

Another provision of the report stipulates that the Canadian Government must be urged to enter negotiations with the British Government for an agreement under the Empire Settlement Act for as large a volume of suitable British settlers and as great an amount of British capital for development purposes as possible.

Ask for Exemption

Would Free Charitable and Educational Institutions From Income Tax

Ottawa.—Exemption of all contributions to charitable and educational institutions from taxation under the Federal Income Tax Act was requested by a deputation of prominent Canadian citizens which waited upon the government.

Hon. J. A. Robb, Minister of Finance, with Hon. J. L. Haldane, Minister of National Defence, and Hon. W. D. Eider, Minister of Customs, received the delegation, stated he would take the matter up with officials of his department and then lay the whole situation before his colleagues.

Included in the deputation were such prominent men as Sir Arthur Currie, Sir Lomer Gouin, Sir George Foster.

Sir Arthur Currie stated the deputation represented more than 400 Canadian institutions from coast to coast.

Cannot Accept Contract

Boy Swimmer Would Not be Used in Picture Until May

Hollywood, Cal.—George Young, Canadian youth who won the \$25,000 prize in the recent Santa Catalina channel swim, refused to appear in a film to break into the films and further capitalize his new fame.

Negotiations between Young and Famous Players-Lasky, in whose studio he recently underwent film test, were dropped when it was found that he would be impossible for the producers to use the swimmer in a picture until May. Young's managers insisted the filming must start at once in order to release him for vaudeville tours.

The producers said Young's film tests showed the youth to have a "pleasing screen appearance."

Pool Wheat Via Western Ports

Huge Quantities of Grain Exported Via Vancouver and Prince Rupert

Vancouver.—The Alberta wheat pool has shipped nearly 8,000,000 bushels of grain from Vancouver this year to date and expects to move a total of approximately 20,000,000 bushels by the close of the season, George McIvor, sales manager of the pool, announced here.

From Prince Rupert the pool has shipped 3,500,000 bushels of grain, mostly to the United Kingdom, and expects to reach the 6,000,000 bushel mark before the season ends.

SERVICE LEAGUE FOR SOLIDARITY OF THE EMPIRE

Paper Mill to be Erected on East Coast of Vancouver Island

Victoria, B.C.—Negotiations have been completed between Hon. T. D. Patullo, Minister of Lands, and James H. Lawson, attorney for the Crown, regarding the purchase of the Crown land on the east coast of Vancouver Island which will be immediately undertaken. The first unit will be a 200-ton paper mill, but power sufficient for eventually supplying a mill capable of manufacturing 1,000 tons of newspaper a day is said to be available.

Contemplated development will lead to establishment of a new town of 4,000 to 10,000 persons in the central region of the island. It is stated.

The Canadian Paper Mills Company, Limited, was incorporated here at \$5,000,000 as a subsidiary to the Crown Paper Mills Company, which already is operating four other paper mills on the Pacific Coast.

Would Abolish Sales Tax Ottawa.—Abolition of the government sales tax of 5 per cent. on all men's and women's wearing apparel was requested by a delegation representing Canadian wholesalers and retail garment industries, which waited upon Hon. J. A. Robb, minister of finance. Mr. Robb intimated that the request would be given consideration.

To Visit B.C. arrived at Government House that their Excellencies the Governor-General of Canada and Lady Willingdon will leave Ottawa on March 19, direct for Victoria, arriving here on March 24. They will spend a few days in this city as the guests of Lieut.-Gov. Bruce.

IS APPOINTED NEW HEAD OF THE TARIFF BOARD

Ottawa.—Appointment of W. H. Moore, of Dunbar, Ont., to the chairmanship of the Dominion Advisory Board on Tariff and Taxation was announced by Hon. J. A. Robb, Minister of Finance. The appointment takes effect February 5.

Senator the Right Hon. George P. Graham, who resigned from the post when he was elevated to the Senate, will preside over the three-day hearing scheduled for this week, when the tariff on boots and shoes will be the chief item for discussion. Of the four references on the agenda, four are hearings, which is no doubt the reason why Senator Graham, Laurier, at his post until they are disposed of.

Announcing the new appointment Mr. Robb said: "Under the chairmanship of the Right Hon. G. P. Graham, the tariff board has made quite a successful start. They are about to move into larger quarters, which will give them better facilities for hearing applications and carrying on the general business of the board. The instant success that the board has met with bears testimony to the respect in which Messrs. Graham, Laurier, and McKenzie are held by the people of Canada and I am sure that this support will be continued during the term of office of the new chairman."

Mr. Moore is a barrister and a graduate in economics. He was formerly connected with the Canadian Northern Railway. He has a stock farm at Dunbar.

Want Safe Railway Crossings

Saskatchewan Interested in Campaign Being Waged in States

Washington.—Saskatchewan is interested in the campaign being waged in the United States to safeguard crossings, according to Labor, the official publication of the railway workers.

H. E. Willis, national legislative representative of the Brotherhood of Locomotive Engineers, received a request from T. M. Bryan, chairman of the B. of L.E. provincial legislative board of Saskatchewan asking that concerning the safety legislation which the transportation brotherhood backed by the Department of Commerce and various business organizations are urging on the state legislatures which are convening this winter.

Mr. Bryan reported that the Saskatchewan board has been working along the same lines for some time. Mr. Willis forwarded the desired information and added this word of advice: "I hope you will assist in stirring up interest in Canada with a view to getting uniform legislation on this most important subject."

May Establish New Town

Paper Mill to be Erected on East Coast of Vancouver Island

Victoria, B.C.—Negotiations have been completed between Hon. T. D. Patullo, Minister of Lands, and James H. Lawson, attorney for the Crown, regarding the purchase of the Crown land on the east coast of Vancouver Island which will be immediately undertaken. The first unit will be a 200-ton paper mill, but power sufficient for eventually supplying a mill capable of manufacturing 1,000 tons of newspaper a day is said to be available.

Contemplated development will lead to establishment of a new town of 4,000 to 10,000 persons in the central region of the island. It is stated.

The Canadian Paper Mills Company, Limited, was incorporated here at \$5,000,000 as a subsidiary to the Crown Paper Mills Company, which already is operating four other paper mills on the Pacific Coast.

Would Abolish Sales Tax Ottawa.—Abolition of the government sales tax of 5 per cent. on all men's and women's wearing apparel was requested by a delegation representing Canadian wholesalers and retail garment industries, which waited upon Hon. J. A. Robb, minister of finance. Mr. Robb intimated that the request would be given consideration.

To Visit B.C. arrived at Government House that their Excellencies the Governor-General of Canada and Lady Willingdon will leave Ottawa on March 19, direct for Victoria, arriving here on March 24. They will spend a few days in this city as the guests of Lieut.-Gov. Bruce.

Mrs. Robert Evans, of Coleman, was called to Seattle last week on receipt of a telegram apprising her that her brother, Jack Shone, was dangerously ill. Jack formerly resided in this district and is very well known.

Local and General Items

Last night's attendance at the arena was the largest for the season.

Mrs. A. E. Graham has been elected president of the Coleman Women's Institute.

Rumor has it that an iron ore mine in Newfoundland has been purchased by Henry Ford.

Efficiency experts might have a try at devising some means of utilizing left-over advice.

Court in chambers was presided over here on Monday, by Judge MacDonald, of Macleod.

Gordon Thompson, fancy skater, performed before a small audience at the local arena on Tuesday night.

An exchange remarks: "Blessed are the poor. They must pay cash and have no easy payments to torment them."

Mr. Arthur Shearer, who holds down an engineer's position at Kimberley, was down to visit his family here during last week.

J. W. Brown, former inspector of schools in the Medicine Hat Inspectorate, died at the University of British Columbia, Vancouver, suddenly.

The girls of Tagit Group of the C.G.I.T. will hold a tea in the Elks' hall on Saturday afternoon, February 12th, from 3 to 6. Bear this in mind, please.

Mr. Gordon Lapp, the new Boys' Work secretary for Alberta, was in town last week, the guest of Rev. W. T. Young at the United church parsonage.

W. M. Bush returned Sunday morning from Pincher Creek, where he had been convalescing from an attack of 'flu. He is yet far from being well, though much improved in health.

Blairmore's indebtedness per capita amounts to \$15.20. That of Strathmore is \$7.50. Blairmore has a bank surplus of around \$17,000, while Strathmore's is \$7400 municipal and \$3265 school.

A miner named Mett Drosesh, aged twenty-five years, died at Coleman on Sunday last, after but two days' illness of the 'flu. Drosesh leaves a wife and children in the old country. The funeral took place at Coleman on Tuesday afternoon, the remains being laid to rest in the Catholic cemetery.

The Macleod Times remarks that "Rev. W. H. Irwin, of the Macleod United church, is the recipient of a pressing invitation from his former parishioners at Bellevue and Frank to return as their pastor for a second term. In view of mining conditions, it is not thought that Mr. Irwin will accept."

The Fernie Elks sent the following telegram to George Young, the Toronto youth who was the successful winner of the Wrigley \$25,000 swimming contest, and the only one to cross the treacherous water out of 102 contestants: "Ferne Elks proud to congratulate Young, Canada, in conquering the Catalina Channel and bringing new honors to Canada and aquatic sport.—B.P.O.E., Fernie, No. 81."

The time allowed motorists to secure their licenses and plates expired on Monday of this week. Prosecutions may follow those who have not complied with the act. Those who have not taken out their number plates yet should be warned by this. At the same time, all motor car owners should check up their lights to see if they are in working order and that the tail light is such as to allow proper lighting so that the rear license plate is illuminated. The plates should be free from dirt and clear and legible at all times. This is a provision in the Act and calls for prosecution otherwise.

An advertisement in The Blairmore Enterprise is worth seventeen mail-order catalogues in the attic.

Mr. Edward Gamache, formerly of Beaver Mines, now resident of Creston, was in town on Saturday last.

Born at Cranbrook at 3 p.m., on Tuesday, February 1st, to Mr. and Mrs. Mike Carino, of Blairmore, a son.

A local young lad ventured to ask a fair young lady if he could see her home. She replied: "Certainly, I'll send you a picture of it tomorrow."

The salary of President John L. Lewis, of the United Mine Workers of America, has been boosted from \$8,000 to \$12,000—almost a living wage.

A Blairmore merchant, depending upon every citizen of this town for his support, is known to have recently received a package of machine oil from Eaton's.

Gus Gamache is a patient at the local hospital, where a few days ago he underwent an operation for appendicitis and is reported doing remarkably well.

A syndicate comprising Calgary and Edmonton men contemplates establishing a coking plant at Regina. The promoters are interested in extensive coal holdings in Alberta.

Coal shipments made from the Drumheller field for the week ending Saturday, January 22nd, amounted to 1280 cars, as compared with 827 the previous week, 677 a year ago, 840 in 1923 and 1369 in 1924.

Four animals went to a circus—a duck, a pig, a frog and a skunk. All of them got in except one. The duck had a bill, the pig had four quarters, and the frog had a green back, but the skunk had only a scent, and that was a bad one.

A ninety-storey apartment house, the tallest in the world, is to be built on the Hudson Palisades, on the New Jersey side of the river opposite Spuyten Duyvil, New York, on a bluff that is 500 feet higher than the level of the city. The building will accommodate 15,000 tenants.

Completely outclassing the visitors in all of the three periods, the Blairmore Elks on Monday night won over Coleman by a score of eleven to six. Young Drupe in goal played the best game of his life and stopped 'em from everywhere. Manson and all the other boys were perfectly at home and entertained the visiting team and fans superbly. The game was refereed by Walter Scott.

Bert Taylor, the Australian singing and dancing comedian, who filled an engagement at the Orpheum this week was very well appreciated, and he lived up to all that was expected of him. He is the possessor of a very pleasing voice, and is an expert in the art of soft shoe dancing, and also has a very effective way of putting his turn across the footlights. It is probable that this artist will play a return engagement in Kimberley in the near future. He also sang some very pleasing songs at the Caledonian Society Burns' Night celebration on Tuesday evening.—Kimberley Press.

To see one of the most modern and best equipped trade shops in Alberta, one should visit that of Mr. George K. Sirett, painter and decorator, at Bellevue. During the past year, Mr. Sirett has spent considerable spare time in improving the appearance of and adding to his shop and now has an institution second to none, fully stocked with all things necessary for the carrying on of his line—painting, paperhanging, decorating, etc. Wall papers, paints, kalsomines, brushes of every description, etc., are carried in stock. Mr. Sirett features "Made in Canada" goods and is a real "Buy at Home" disciple who deserves your patronage.

**MONDAY NEXT IS
NOMINATION DAY**

Mr. A. J. Kelly, as returning officer, has posted notices calling for nominations to fill vacancies on the Blairmore Board of School Trustees and the Blairmore Town Council.

Three vacancies occur on the board. Messrs Frank Wheatley, W. H. Chappell and Allan Hamilton having completed their term of office. Five vacancies occur on the town council, the term of Mayor Farmer and Councillors Hays, Sartoris and Patterson having expired and Councillor Gillis resigned.

Nominations will be received at the office of the secretary-treasurer of the town on Monday next, from 11 o'clock in the forenoon until 12 noon, and election will take place on the following Monday.

It is generally felt that Mr. Farmer should be allowed to return by acclamation as mayor. Material for the other vacancies has not been mentioned as yet, but in all probability some of the retiring members of the board and council will run for reelection.

WONT LEARN ENGLISH

That foreigners who require court interpreters after being residents of Canada ten or twelve years should be imprisoned for neglecting to learn the English language, was the opinion expressed by Magistrate C. F. Maxwell in St. Thomas police court, when a Russian was on trial. The accused told the court that he had lived in Canada twelve years, while two of his witnesses have been here the same number of years. All required interpreters.

When one man was asked why he had not learned a colloquial knowledge of the English language, he shrugged his shoulders and told the interpreter in Russian that he guessed his head was too thick.

**BLAIRMORE AND NANTON
JUNIORS PLAY TO DRAW**

One of the fastest and most exciting hockey games of the past several years was played between Nanton and Blairmore Juniors at the local arena last night, in the opening game of the provincial play-offs.

Both teams were very well balanced, the locals having slightly the edge in backchecking and combination play.

In the opening period the play was about even, each team netting one goal. Blairmore secured a court in the second period and Nanton talked towards the finish of the game. The second period was all Blairmore's, the visitors being kept back on their home territory throughout and unable to get away.

Joilet Houbreys was credited with the two goals for the locals, both single handed.

M. G. Rhynas refereed and awarded only three minor penalties.

The return game is to be played on Nanton ice on Tuesday night next, the local lads to leave here by the 10 a.m. train.

**NEW ELECTRIC FIRE
SIREN HAS ARRIVED**

The new electric fire siren, purchased recently by the town, has arrived and will be set in position in the course of a few days. Tested today, it can be distinctly heard in all parts of the town.

Mr. D. G. Mackenzie returned yesterday from Edmonton, where he appeared in behalf of the local board of school trustees in the appeal entered by the Alberta Teachers' Alliance and the Blairmore teaching staff.

Mennonites have purchased a 3600-acre farm near Magrath for a price reaching \$45 per acre.
